On the CUSP: STOP BSI Hospital Enrollment by State

Hospitals enrolled represents hospitals having submitted registration documentation for involvement in the On The Cusp: Stop BSI project as of 4/19/2010.

Hospitals in state represents hospitals with records in the American Hospital Association database of member hospitals for 2008.

As involvement in this project is voluntary, hospitals may have joined or left the project since its inception.

To verify hospital activity in this project please contact your state hospital association or local hospital.
